RRWC Day Trip -11:00AM September 21st

Car Pool - \$50.00

“For many years this facility was one of the foremost ostrich breeding and ranching facilities in the southwest. Yes, they still have several ostrich's on the property. Come have some wine with them”.

Wine Tasting, Lunch and Tour

- The Tasting and Tour will be guided by one of their management team. It begins at the Ostrich Pens. While sipping on your first taste of Blue Ostrich wine, you will learn of the history as an Ostrich Ranch.
- From there, you will move the group to the vineyard, where you will have your second taste while learning about the types of grapes they grow, how the vineyard operates from bare root to harvest.
- The third tasting will take place on the crush pad. This is where the grapes are brought after harvest and begin their journey into wine.
- We will move to the Barrel Barn for our fourth tasting. This is where they age the red wines, and we will learn the alternative ways to age wine.
- Our final stop and taste is in the wine cellar, where you learn how they make wine from grape to bottle.

We will have a delightful lunch on the Lovely Pavilion including a glass of wine and receive a Blue Ostrich Crystal Wine Glass as a souvenir.

There is also wine for sale!

The first 40 ladies to register will be able to go.
