

Women's Club Luncheon
August 7, 2023
12:00 noon
(Doors open at 11:00)

David Seering, a resident here at Robson Ranch, has a true passion for music. This love for music started developing at an early age of three.

David has stood at Sinatra's podium and sang into Sinatra's microphone at a Los Angeles recording studio many years ago. "It was very humbling...very humbling", he reminisces. Seering performs for the passion, not the accolades, but since Sinatra is one of his most influential icons, this moment felt like winning an award.

"I was honored to be able to do something that most people will never get the chance to do...I think it made me a better entertainer."
