

Adopt-A-Family

The Robson Ranch Women's Club Community Outreach Committee will be participating in the Denton County Friends of the Family Adopt-A-Family program. In 2022, 48 Community Outreach members (and friends/family) bought gifts for 81 children/teens from 34 families and provided each Mother a gift as well. The Adopt-A-Family provides a rewarding experience of adopting a shelter family and ensuring they have holiday gifts as well as clothing this holiday season!
