Programs –Programs Chair Rebecca Bafford announced the April luncheon will feature fashions from Soft Surroundings with the theme Packing For a Cruise. Bafford introduced March speaker Janine Turner. Best known for her role on Northern Exposure, Ms. Turner showcased Constituting America, the non-profit organization which she co-chairs. Ms. Turner's message was that there are many viable avenues to address today's issues available in the United States Constitution. The public is often time misinformed and students are sorely lacking in education concerning this important document. Constituting America offers students a number of opportunities to receive mentoring while at the same time develop professional multi- media educational material.

The meeting adjourned at 2:07 pm
