Vision

We envision a community where everyone enjoys a life of independence dignity and hope.

History

Our Daily Bread was created in 2000 when local churches came together to provide meals to the hungry.

Monsignor King Outreach Center was created through Immaculate Conception in 2009 during a particularly cold winter.

Both nonprofits have been expanding ever since and combined during the pandemic in 2020 under one name to better serve guests.

How We Serve

Nourish

We welcome all people into our community kitchen with dignity and provide them with meals. We currently serving an estimated 600 meals per day.

Connect

We connect our guests with resources and services that will help support them on their self-directed path to stability.
