

Adopt-A-Family Donor Form

This information will be used to give Friends of the Family the number of children that we want to shop for. Also, we will use it to accommodate your preferences as much as possible when we provide you with the children that each of you will shop for. As a guideline, we suggest that total spent on gifts is capped at \$100 for younger children and \$150 for older children.

We would like this form (or information via email) returned to Suzanne Spisak by October 31.
